

Getting Started on your Facility BMP

You can find all the information you need to start your own facility BMP at www.gcsaa.org/BMP

State Template

Take some time to look over your state's BMP template either in pdf or in the online Facility BMP Planning Guide. You can view a pdf of your state's BMPs by navigating to your state under **Additional Industry BMPs**.

Logging In

Once you're ready to get started, log in by clicking on maroon button and log in with your gcsaa.org log in and password.

[Access the Facility BMP tool»](#)

If you've forgotten your username or password, go to www.gcsaa.org/login and click **Forgot your password?** at the bottom, or give us a call at 800-472-7878.

Learn More and Troubleshoot

You can watch short instructional videos on using the online Facility BMP Planning Guide under **Brief How-To Videos** or you can watch a longer webinar that really dives into certain topics or takes you through the whole online guide in **Webinars**.

You can make as many or as few edits to your state template as you want. You want to make sure this guide best serves your facility. You can even edit it and save multiple versions as things change over the years.

Remember GCSAA is here to help you with all of your BMP questions. Call us at the general line 1-800-472-7878
